

Community Connections Team Members

Partner Organization: A church, school, or other community organizations who contracts with COBYS Family Services to receive services to support a Participant.

Organizational Contact Person: The person from the Partner Organization who is primarily responsible for initiating contact with COBYS Family Services, managing the relationship with COBYS, and assuring that bills are paid. This contact person may be a pastor, school counselor, employer, or other invested personnel.

Ally: A person assigned by the Partner Organization to support the Participant and participate in the process.

Participant: An individual or family unit who has agreed to actively participate and receive support through Community Connections.

Navigator: COBYS employee who assesses needs, develops the Action Plan, and facilitates the Community Connections objectives.
