Please join COBYS Family Services in celebrating the Grand Opening of our newly purchased and renovated offices at 444 Murry Hill Circle in Lancaster.

We've moved our Foster Care, Adoption, and Family Life Education staff into the new facility to meet the growing needs of our community. We're unpacked and continue in our mission of serving children and strengthening families.

We hope you'll stop by and see us as we officially open our doors in celebration!

*(**Please note if you have trouble climbing steps—we are a multi-level building connected by staircases. We do not have an elevator.)*
