You're Invited

Join us for a celebratory evening of good food and conversation.

We'll share COBYS updates and highlight the care we deliver together through the lens of **three COBYS families**. Get first-hand accounts of how the expanded focus on best practice training and care meet the complex needs of these families.

Hear about the real world impact of our ministries as together we are making life-impacting differences for children and families.

Plus, meet new Executive Director Mike Lausch at his first COBYS event.
